

SINGAPORE DEPARTMENT OF STATISTICS

NOTICE OF PUBLICATION

SINGAPORE'S INTERNATIONAL TRADE IN SERVICES 2007

Singapore's trade in services is compiled by Singapore Department of Statistics using both survey and administrative data, with the International Trade in Services Survey being the main data source. The data are used as inputs for estimating Singapore's balance of payments. The latest survey was conducted in 2008/09 for reference year 2007.

The Department is pleased to announce the release of the publication *Singapore's International Trade in Services 2007*. The report presents key findings on Singapore's trade in services, including major services categories and major trading partners. Softcopy of the publication is now available free of charge at the Department's homepage at <http://www.singstat.gov.sg>.
