

SINGAPORE DEPARTMENT OF STATISTICS

NOTICE OF PUBLICATION

SINGAPORE STANDARD INDUSTRIAL CLASSIFICATION 2010

The Singapore Department of Statistics is pleased to announce the release of the publication, Singapore Standard Industrial Classification (SSIC) 2010.

The SSIC provides a common framework for classifying economic activities in Singapore. It is reviewed and updated regularly to reflect significant changes in the structure of the Singapore economy and the emergence of new activities as well as to align with changes in the international standard.

This publication is the tenth edition of the SSIC and supersedes previous editions. It describes the principles, scope and structure of the classification. To facilitate better understanding and appropriate use of the classification, detailed write-up is provided at the class (four-digit) level. A comparison table of SSIC 2005 and SSIC 2010 up to class level is also included to facilitate better understanding of the changes.

Softcopy of the publication is available for free downloading via the Statistics Singapore website (<http://www.singstat.gov.sg>). The printed publication will be made available for sale from Toppan Leefung Pte Ltd (1 Kim Seng Promenade, #18-01/06 Great World City, East Tower, Singapore 237994) at a later date.
