NOTICE OF PUBLICATION

SINGAPORE STANDARD OCCUPATIONAL CLASSIFICATION 2010

The Singapore Department of Statistics is pleased to announce the release of the publication, Singapore Standard Occupational Classification (SSOC) 2010.

The SSOC provides a common framework for classifying occupations in Singapore. It is reviewed and updated regularly to reflect developments in the labour market, particularly the emergence of new occupations as well as to align with changes in the international standard.

This publication is the sixth edition of the SSOC and supersedes previous editions. It describes the principles, scope and structure of the classification. Write-up is provided at the four-digit level to facilitate better understanding and appropriate use of the classification. A comparison table of SSOC 2005 and 2010 up to unit group level is also included to facilitate better understanding of the changes.

Softcopy of the publication is available for free downloading via the Statistics Singapore website (<http://www.singstat.gov.sg>). The printed publication will be made available for sale from Toppan Leefung Pte Ltd (1 Kim Seng Promenade, #18-01/06 Great World City, East Tower, Singapore 237994) at a later date.
