NOTICE OF PUBLICATION

ECONOMIC SURVEYS SERIES
Reference Year 2007

THE SERVICES SECTOR

The Singapore Department of Statistics conducts an annual survey on the services industries to collect a wide range of data for studies and analyses. The latest survey was carried out in 2008 for reference year 2007. This year's reports focus on several services industries of importance to Singapore's economy. This consolidated report on ***The Services Sector*** provides an overview of the services sector and is the seventh and last report to be released in the series.

Summary findings of this report are now available for free access/download from the Statistics Singapore Website at <http://www.singstat.gov.sg>. This will be followed by a softcopy publication with more detailed tabulations.
