NOTICE OF PUBLICATION

SINGAPORE'S CORPORATE SECTOR 2008

The Singapore Department of Statistics is pleased to announce that the publication, **Singapore's Corporate Sector 2008**, has been released.

The publication contains key survey findings and detailed tabulations on the size, composition and performance of Singapore's corporate sector, including aggregated balance sheets, profit and loss statements and common accounting ratios for major industrial sectors. The findings are based on the latest survey conducted in 2009/10 for reference year 2008.

The report is now available online at www.singstat.gov.sg.
