

NOTICE OF PUBLICATION

Foreign Equity Investment in Singapore Reference Year 2009

The Singapore Department of Statistics is pleased to announce the release of the publication ***Foreign Equity Investment in Singapore 2009***. The report presents key findings on the level and composition of foreign investment in Singapore as well as major sources and the major industries where the investment were hosted.

Data on foreign equity investment in Singapore are compiled by the Singapore Department of Statistics from the Survey of Financial Structure and Operations of Companies and the Survey of Foreign Debt and Financial Derivative Transactions. The data are used as inputs for estimating Singapore's balance of payments. The latest survey was conducted in 2010 for reference year 2009.
