Household Expenditure Survey 2017/18 Launch of the 19th and 20th Survey Groups

The Singapore Department of Statistics (DOS) is conducting the 11th Household Expenditure Survey (HES) from October 2017 to September 2018. The survey covers 13,100 households, which are divided into 26 groups with each group being surveyed for a period of two weeks.

The forthcoming 19th and 20th groups of households will be surveyed for a period of two weeks each, starting from 11 June 2018 and 25 June 2018 respectively. The survey groups will cover areas in Bedok, Bukit Batok, Clementi, Jurong East, Jurong West, Marine Parade, Punggol, Sengkang, Toa Payoh and Woodlands.

Survey officers carrying identification cards and letters of authorisation issued by DOS will visit the selected households. Selected households are kindly requested to provide their full cooperation. Households who wish to verify the identity of the survey officers may call the HES hotline at 1800-888-1718 from 9.00 am to 10.00 pm on Monday to Friday, and from 10.00 am to 10.00 pm on Saturday and Sunday, excluding public holidays.

Conducted once every five years, the HES collects up-to-date information on households' expenditure for updating the weighting pattern and the basket of goods and services used in the compilation of the Consumer Price Index (CPI). Data from the survey also serve as inputs for social and economic policy planning and formulation as well as studies on income and expenditure patterns.

The HES is conducted under the Statistics Act (Chapter 317) which ensures that all information supplied by households will be kept in confidence in accordance with the Statistics Act.
